Stratton Kansas

Tuesday May

My Dear Sir

I shall
not pettishly withdraw
my ch. S. from
Mr. Murray - altho'
had I been aware
that he was so busy
I should not have
troubled him with
it. You will do me
a great favor by

inducing him to
look at it and
return it to me
as soon as possible;
for our Easter
Keeps begins
tomorrow -
which I intended
to devote to revision
- and there is
a part of the

M.S. in Mr
Murray's hands
which I shall
want to refer to.

Perhaps on a
representation
from you of
my situation he
may be pleased
to be more expeditious

I remain

Yours faithfully

Samuel
J. Payne Collier Esq.
